Tennis - Free taster session and crash course

Are you interested in tennis? But don't yet know whether it's the right sport for you? Then the **free taster course** from the tennis club 1.TC Magdeburg e.V. is the right thing for you. It is aimed at children, teenagers and adults. During the 60-minute session, you will have the opportunity to get to know the club and its methods, while at the same time starting technique training. The club provides all the necessary materials on site - all you need to bring is warm sportswear and shoes.

The club also offers **crash courses** for beginners. You will learn the basics of the forehand, backhand and even the serve. This way you will immediately experience how much fun playing tennis can be! Racket hire, balls and court hire are already included in the course fee. A complete course overview can be found at www.ballplanet.ebusy.de

Dates for free taster sessions:
